Did you sent me the original tasking order ?

I'd like to see it to check if we asked them to update the corporate info on the entities as per column B to C of the worksheet under the "client-contact" tab.

Kim - I met with Gary Miller today, RPM for Gulfco, who cleared up the data selection criteria for this work. Please rerun with this criteria:

TEST TYPE CODE: only SAMPLE and SITE

LABORATORY QUALIFIERS: all but U and UE(U)
RESULT TYPE CODE: not SUR

After that subset is established, then choose all with RESULT >
SAMPLE_QUANTIFICATION_LIMIT

Let's see then how to proceed with the linkages to the waste
transaction events.

Thank you very, very much.
